From (Name) C.C. Wilson Esq., I.F.S.,
(Designation) Chief Conservator of Forests.

To The Secretary to the Government of Madras,
Development Department.

Sir,

Dp 7-9 g(I)

Ref. G.O. No. Ms. 2304, Development, dated the 12th October 1937.

2 g para 3 on p. 9 c(I)

The new centre declared open for removal of dead wood from Reserved Forests on payment of six pies per head load is Huggiyam, which is the valley in which Huggiyam and Minniyam are situated. To obtain permits, the villagers have to go to Ramapuram, the nearest Forester's Headquarters, but it is fourteen miles from Huggiyam and twenty miles from Minniyam. The ryots are therefore put to great inconvenience in obtaining permits.

2.

2. If the experiment is to be given a fair trial the ryots should be afforded reasonable facilities for buying permits. The Forester's headquarters cannot be shifted to Huggiyam or Minniyam without serious detriment to his work.

3. The most convenient arrangement would be to appoint the Village Munsiffs of the above two villages as Permit Issuing Officers on the prepayment system for the sale of permits for the removal of deadwood from Edayarhalli Reserved Forest on a commission of 6¼ %. The Board of Revenue has no objection to the arrangement proposed.

I request that Government may be pleased to approve the proposal.

for Chief Conservator of Forests,
Madras.
